

# Captains Chairs

BY JARDINE

**Item # CC100**  
Black with Cherry  
Arms and Crown

## Made From Eco Friendly, Sustainable Wood (Malaysian Oak)

Malaysian Oak or Parawood is a medium density hardwood obtained from the rubber tree. After 20-25 years, when all the latex/ rubber has been extracted from the wood, the tree is cut down and a new tree is planted. Therefore it is considered an "environmentally friendly" or "sustainable" wood. The wood is now used extensively in making indoor furniture

**Price: \$499.99**  
**Includes FREE SHIPPING**

## Personalization

Add up to 3 lines of text to the front. The first line can be script but the remaining lines must be block lettering. Engrave up to 5 lines of text on a back plaque. All lines are limited to 30 characters, including spaces.
